#### **660 at The Angler's**

Located within the esteemed boutique resort, 660 at The Angler's is a celebrated local dining staple. Headed by Executive Chef Giorgio Rapicavoli, the Mediterranean inspired menu is creatively presented without sacrificing sophistication or taste. Featured items include Crispy Braised Pork Belly with maple, sweet potato, pecans, smoked oil, sea salt; Olive Oil Poached Piquillo Peppers with goat cheese, crispy baguette, and sea salt; and Twelve Hour Braised Short Ribs with porcini & truffle risotto, and port wine reduction. A new beer list recently debuted along with an Artisanal cocktail menu that includes nostalgic drinks.
